

***Campus Security & Life Safety* Announces Platinum and Gold Winners of Secure Campus 2020 Awards**

Dallas, Texas, March 18, 2020 – *Campus Security & Life Safety* magazine announced the 2020 Platinum and Gold winners of its Secure Campus Awards competition today. The awards honor outstanding campus security services and products.

As campus security continues to be a nationwide concern, this third year of the Secure Campus Awards program continued to draw many entries. The 1105 Media Infrastructure Solutions Group's *Campus Security & Life Safety* and campuslifesecurity.com branded media, along with regional Campus Security & Life Safety Summits, offer important information to the campus security market. The Secure Campus Awards are another way this brand recognizes the products and services key to the market.

Earlier this month, an independent panel of judges from the security industry selected the top entries in the 2020 categories and named them winners using criteria including Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity, Impact in the Security Industry, Technical Advances, and Scalability. “While its product awards contest is relatively new, I am honored to have *Campus Security & Life Safety* magazine take a forward interest in the products available to campuses nationwide. We also are pleased to be a vital part of providing solutions that will protect our children and young adults in the learning environment,” said Ralph C. Jensen, editor in chief of *Campus Security & Life Safety* magazine. “Within the security industry, we all have a vested interest in protecting learning spaces and providing security to our valuable assets, the children.”

President and group publisher of the Infrastructure Solutions Group of 1105 Media, Kevin O’Grady, added: “Campus security has been a real issue across the country, so it is great to see all the outstanding products and services that are available to the marketplace. *Campus Security & Life Safety*’s goal is to continue to educate professionals in this important industry.”

In addition to being honored with awards, the winners will be featured on campuslifesecurity.com and highlighted in a future issue of *Campus Security & Life Safety* magazine. The magazine is distributed to 65,000* education directors, administrative managers, healthcare professionals, info tech managers, top-level executives, and security dealers six times a year as well as at trade events.
