

Campus Security & Life Safety Announces Platinum and Gold Winners of Secure Campus 2019 Awards at ISC West

Las Vegas, Nev., April 10, 2019 – *Campus Security & Life Safety* magazine announced the 2019 Platinum and Gold winners of its Secure Campus Awards competition today at ISC West, the International Security Conference & Exposition. Introduced last year, the awards honor outstanding campus security services and products. ISC West is being held April 10-12 at Sands Expo Center in Las Vegas.

As campus security continues to be a concern nationwide, this second year of the Secure Campus Awards program brought in nearly twice as many entries as last year. 1105 Media's *Campus Security & Life Safety* and *campuslifesecurity.com* branded media, along with regional Campus Security & Life Safety Summits, offer important information to the campus security market. The Secure Campus Awards are another way this brand recognizes the products and services key to the market.

Last month, an independent panel of judges from the security industry selected the top entries in the 2019 categories and named them winners using criteria including Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity, Impact in the Security Industry, Technical Advances, and Scalability. From the top entries, the following Platinum and Gold designations were announced today:

“Campus Security & Life Safety is honored to announce the Platinum and Gold winners of our 2019 Secure Campus Awards. The innovation, quality and functionality of these winning products show how dedicated companies are to the safety and security of campuses nationwide,” said Sydney Shepard, executive editor of *Campus Security & Life Safety*. *“I am pleased this awards program continues to grow and highlight outstanding products in the campus security vertical.”*

President and group publisher of the Infrastructure Solutions Group of 1105 Media, Kevin O’Grady, added: *“Campus security has been a real issue across the country, so it is great to see all the outstanding products and services that are available to the marketplace. Campus Security & Life Safety’s goal is to continue to educate professionals in this important industry.”*

In addition to being honored at ISC West, the winners will be featured on campuslifesecurity.com and highlighted in a future issue of *Campus Security & Life Safety* magazine. The magazine is distributed to 65,000* education directors, administrative managers, healthcare professionals, info tech managers, top-level executives, and security dealers six times a year as well as at trade events, including ISC West.
